

ALL EVERYBODY

Vers 1:

Everybody needs somebody,
someone who wants you too.
but we must love to be loved.
and that's the golden rule.
Everybody got plans, but now we must understand,
that you don't need no plan to be part of di bigger plan. Word!
Everybody stamps everybody, everybody is a brand but
nobody understands. You need money on the bank. That you
take from the bank to make money for the bank. That's cray!
But the way how they rule,
how we reproduce the power in use.
we always a-pay, we all everybody
serve di man with di masterplan.

Chorus:

We share the same vibe!
We All Everybody, part of the same tribe.
We All Everybody.
Out of many we must build, all everybody.
One for all and all for everyone!

Vers 2:

Everybody knows already, so let's jump right in. Everybody
must act, as if they could resist to sin. But you must admit to

lie, if you wanna speak the truth. so everybody's talking falsely
now. nobody plays the blues. yeah I'm talking to you. Get in
the mood. Call everybody. Let's make a move. Step to the
groove. stay in the loop. Bring them all together. unite the
group. We Are ONE!

One love. one heart.

One of a kind even if we're apart.

We always a-pay. We all everybody,
serve the man with the masterplan.

Chorus:

We share the same vibe!
We All Everybody,
part of the same tribe. We All everybody.
Out of many we must build, all everybody.
One for all and all for everyone!

C-Part:

I can't help myself! Can you hear my call?
Let's stand together. Together we stand tall.
For all everybody, cause everyone is all.
For every woman and man it's time to make your stand.... all
everybody.. now everybody.. for all everybody.. for all
everybody now!

Chorus:

We share the same vibe!

We All Everybody,
part of the same tribe yeah - We All everybody.
Out of many we must build, all everybody.
One for all and all for everyone!

All everybody. Now everybody. For all everybody. All
everybody now!
