

BREAKING NEWS

Vers 1:

So called news penetrate me everyday.
They phishin' for my attention but got nothing to say.
Much ado about nothing is the popular way.
and once you pressed play they'll assure you'll stay.
stay tuned for their bait. Stick to the screen.
Attractions of distraction on multiple screens. customized
informations designed by machines, to suit you a frame. so
how do you perceive?

Chorus:

Breaking News, reshape the frame.
Breaking News, read dem against the grain.
Breaking News!
When they're breaking through, break em down. Break em
down to the truth.
Breaking News, reshape the frame.
Breaking News, you must read against the grain.
Breaking News!
When they're breaking through, break em down. Down to the
factual grounds.

Vers 2:

Maby you're 60+. Born in east germany. And half of your life
you've been watched by a puppet regime.

Do you feel better now, being watched by The Company? The
terms have changed. You must agree to proceed.

No it ain't easy to see the big picture in the small print.

We need to blow the whistle to clear the distortion.

So everytime you witness whatever suspicious blow the
whistle!

Or let the whistle blow!

Chorus:

Breaking News, reshape the frame.

Breaking News, you must read against the grain.

Breaking News!

When they're breaking through break em down, break em
down to the factual grounds. He!

Breaking News!

Everywhere I go.

Breaking News

Penetrate my screen.

Breaking News!

When they're breaking through break em down.

Break em down to the factual grounds.
