

EUROPE

You came without a call, while I didn't expect no guests. You ate from my plate and took my very best. You're a bottomless pit. Your greed is not to feed. so we both stay hungry. Now judge who's more in need.

Europe! Europe! Don't you hear me scream? I'm drowning in your seas. You'll be flooded by my stream.

Now I chase you down. While you let off the leash. Mama's tits are running dry, but there are more mouth to feed. So I take the next ship. I take the risk to die. You say you can not help me? So I come by your side.

Europe! Europe! Don't you hear me scream? I'm drowning in your seas. You'll be flooded by my stream. Yeah!
Europe! You rob I! Europe, broken dream.

Whatever you do, you can't deny your roots. Come back into my arms. I'm your mama too. Whatever you do, you can't deny your roots. Come back into my arms. I'm your mama too.

Your Mama....
