

MISS TAKE

When we first met, back in high school.
I was such a fool, I never asked you out.

Our first kiss was our worst kiss.
But who cares you don't even know.

My mama taught me to be a good boy.
Don't you ever break a loving heart.

Now look at me. Where you got me?
Maby I don't find my way back home.

Chorus:

So now we're fine? and all that's left is this simple line.
Call it a sweet mistake or mistaken perceptions.
But don't call it wrong.
And don't spurn no love songs!

I went crazy when you broke up. A
It broke my heart every single time.

But we are done now. And since we're clear,
every single day reveals it's shine.

Chorus:

And now we're fine. And all that's left is this simple line.
Call it a sweet mistake or mistaken perceptions.
But don't call it wrong. Good bye my love.

Tschö!
